

# Start the New Year Right at the 2019 Charter School Critical Issues Symposium

Young, Minney & Corr, LLP and CSMC (Charter School Management Corporation) are teaming up to present critical fiscal and legal topics that will impact your school in 2019.

Charter school developers and operators are invited to hear about recent court decisions relating to charter schools, new laws impacting charter schools effective January 1, 2019, the best operational and fiscal steps to take to prepare for our challenging political times, and an analysis of the new governor's initial budget proposal.

Prepare your school to thrive in the new political environment, ask questions of the experts, and connect with other charter school leaders at the January symposium.
